Bob on lähettänyt toiminnastaan seuraavan kuvauksen:

Robert E. Erard, Ph.D. is clinical director of Psychological Institutes of Michigan, P.C., where he practices clinical and forensic psychology. Originally trained in the Menninger tradition of clinical assessment by Martin Mayman, Ph.D. and Irene Fast, Ph.D., he has been conducting Rorschach assessment for nearly 30 years. He is co-editor of the Clinical Case Applications Section of the *Journal of Personality Assessment* and an editorial board member of the *Journal of Child Custody*, for which he is currently editing a special issue on parent-child attachment. He is a President-Elect of the Society for Personality Assessment; a past president of the Michigan Psychological Association, and a former member of the American Psychological Association Council of Representatives. He is the recipient of the American Psychological Association's Karl F. Heiser Presidential Award and the Michigan Psychological Association's Distinguished Psychologist award. Dr. Erard's publications include articles on the Rorschach and other performance-based techniques, the release of raw test data, child custody evaluation and mediation, and expert testimony based on psychological assessment. He has presented numerous workshops on the ethics of clinical and forensic assessment and on child custody evaluations and has made over 90 professional presentations on psychological assessment and related matters.
