VII. Wrap up

Koulutuksen osallistujat saavat tietoa laajan kansainvälisen normitutkimuksen tuloksista ja niiden soveltamisesta yksilöarviointiin ja tieteelliseen tutkimustyöhön. Tutkimusprojektin raportti on julkaistu Journal of Personality Assessmentin erikoisnumerona (Journal of Personality Assessment, Vol. 89, No. s1).

Tom lähetti itsestään taustatietoa ja 8 sivun mittaisen CV:n, josta seuraavassa vain viimeisimmät julkaisut:

Thomas W. Shaffer, Ph.D., A.B.P.P. is in independent practice in Fresno, California. In addition to a clinical practice in which he assesses and treats a wide variety of patients, Dr. Shaffer is a member of the Adjunct Faculty of the California School of Professional Psychology - Fresno, provides consultation to agencies and individual practitioners, presents continuing education workshops and is involved in ongoing national and international research focusing on the Rorschach, suicide, Borderline functioning and other clinical issues. He is the author of An Ego Functions Model for the Organization of Psychological Test Data.
