January, 2019

Patrick Fontan is Ph.D from Université Nanterre, Paris, France, and has presented his Rorschach research at several international congresses, latest in the World Congress in Paris in 2017, and SPA meeting in 2018. Patrick Fontan was the developer of the scoring program CHESSES.

Topics: "Projection, Narration, and Computer-Generated Interpretation: the emergence of the individual from the data", "Divergence and convergence between Rorschach CS and R-PAS", "Suicidal Process and risk assessment with the Rorschach" and "The Component Model in clinical use". See detailed description.

Language: easily understood English.

The workshop will take place at Comwell, Karensmindevej 2, 5500 Middelfart, Denmark, the 25th and 26th of April, 2019, the first day from 10-17, second day from 9-16. Course fee for members of a national society 3.800 Danish crowns, non-members 4.300 Danish crowns. Included in the fee is morning coffee, lunch and fruit / coffee / cakes during the days.

Registration is done by paying the course fee to the Bank account of the Society in Danish Bank, BIC/Swift-address: DABADKKK, IBAN account: DK7530000011879489, with information of Name, email address and Society membership, and marked: 'Workshop Fontan'.

Registration deadline: March the 30th, 2019.

Rooms reservation with discount can be made by contacting Comwell Hotel by email marked Rorschach to Hotel.Middelfart@comwell.dk before September 30th, 2018.
